**Embassy of the Republic
of Kazakhstan in the
Kingdom of Saudi Arabia**

JSC «NC «Food Corporation» (hereinafter referred to as the Corporation) is a national company, the sole shareholder of which is the Ministry of Agriculture of the Republic of Kazakhstan.

The Corporation implements the state policy in the grain industry of the Republic of Kazakhstan through:

- active participation in ensuring food security of the Republic of Kazakhstan;
- stabilization of the domestic grain market;
- implementation of financial support measures for the subjects of the agro-industrial complex.

The structure of the Corporation includes 4 grain receiving enterprises with a total capacity of 500 thousand tons and 3 grain terminals located on the coast of the Caspian Sea in Kazakhstan, Iran and Azerbaijan.

Thanks to the expanded infrastructure of the Corporation, the geography of agricultural supplies currently covers Italy, Turkey, China, Central Asia and the Transcaucasian countries.

The Corporation is pleased to offer the following products according to your interest:
